

WACŁAW RYBARCZYK

On 15 January 1949 in Wicie, at 10.30 a.m., I, Marian Konduj from the MO [Citizens' Militia] station in Wilga, interviewed the person named below as a witness. Having been advised of the liability for making false declarations, the witness testifies as follows:

Name	Wacław Rybarczyk
Parents' names	Feliks and Katarzyna, née Widlak
Age	35
Date of birth	30 May 1914, in Wicie, Wilga Commune
Religious affiliation	Roman Catholic
Occupation	farmer
Place of residence	Wicie, Garwolin District
Relationship to the parties	none

As to the present case, I know the following: I, Wacław Rybarczyk, in the case of John Sterna, declare that during the occupation he worked at the land reclamation site in the Wilga Commune, as a technical assistant, and he had Polish employees assigned to work for him at his disposal. At the same time, there was a Jewish camp and its prisoners were employed at the above-mentioned earthworks site in the Wilga Commune. As far as I know, John Sterna behaved impeccably towards Poles, but I do not know anything about his behavior towards the Jews.

I don't know anything else about the case.

At this point, the report was concluded, read out, and signed.
